BUILDING
BEYOND
THE HORIZON

OUR CEO

Eng.Moatassem El-Gharably

We **BUILD** A Quality

To Make a **FUTURE REALITY**

I WOULD LIKE TO THANK ALL OUR TEAM, DIRECTORS AND EMPLOYEES, WHO WORKED HARD TO UPHOLD THE REPUTATION OF OUR ESTEEMED COMPANY, WHICH WAS POSITIVELY REFLECTED IN THE ACHIEVEMENT OF OUR GOALS IN SPITE OF THE CONFRONTED CHALLENGES, PAST YEARS, AND SUCCEEDED TO WIN THE EXECUTION OF MEGA PROJECTS. DUE TO THE FAITHFUL EFFORTS AND PERSISTENCE OF OUR TEAM, GIECO SUCCEEDED TO GAIN THE APPRECIATION OF OUR CLIENTS, AND WON SEVERAL PROJECTS BIDS IN ADDITION TO WORK AUTHORIZATIONS. THE COMMITMENT WITH THE INTERNATIONAL STANDARDS OF QUALITY, ENVIRONMENT, HEALTH AND SAFETY IS ON THE TOP OF OUR PRIORITIES.

GIECO REINFORCES ITS EFFORTS TO COMMUNICATE WITH FOREIGN INVESTORS AND EGYPTIAN CLIENTS TO STRENGTHEN MUTUAL COOPERATION THROUGH TAKING PART IN EXECUTING ENGINEERING AND CONSTRUCTION PROJECTS. THIS TARGET IS FULFILLED THROUGH PERMANENT TRAINING OF MANPOWER ON THE LOCAL AND INTERNATIONAL LEVELS.

WEL- COME

WHO WE ARE

THE ROOTS ORIGINATED IN 1912 AND THE COMPANY HAS BEGUN THE ACTIVITIES IN THE FIELD OF GENERAL CONTRACTING/CONSTRUCTION CONTRACTOR AND HAS GREAT EXPERIENCE IN TURN-KEY PROJECTS, SERVING THE ENGINEERING, PROCUREMENT, AND CONSTRUCTION FIELDS WHERE WE HAVE BEEN WORKING HARD AND DELIBERATELY FOR MORE THAN 100 YEARS.

GIECO HAS BEEN A LEADER THROUGH THE YEARS IN THE FABRICATION, WELDING, TESTING, AND ERECTION OF METAL PLATE STRUCTURES AND RELATED SYSTEMS.

GHARABLY GROUP (GG) IS A SIGNIFICANT CONTRIBUTOR TO THE NATIONAL ECONOMY IN BOTH THE PRIVATE AND PUBLIC SECTORS.

EL GHARABLY GROUP HAS EXPANDED OVER THE LAST 100 YEARS TO RANK AMONG EGYPT'S TOP ENGINEERING FIRMS. CURRENTLY THE GROUP RUNS SEVEN SIZABLE BUSINESSES, EACH WITH A FOCUS ON A DISTINCT INDUSTRY.

GIECO'S Sectors:

- Marine and coastal construction work
- Buildings & Commercials
- Industrial
- Infrastructure

OUR VISION

Our vision is to be a world-class customer-centric integrated engineering company; where clients continuously receive excellent value and advanced construction solutions that exceed their requirements and expectations.

OUR MISSION

Our mission is to expand our existence as an EPC/ Turn-key contractor in Egypt and worldwide and delivering high-quality projects. Furthermore, we aim to ensure high-quality craftsmanship and equipment, develop and moderate the work environment's technology. Raising the bar of our skilled labor force, we recruit highly experienced and result-oriented calibers.

Marine And Coastal Construction Work

GIECO specializes in marine and port construction, with a focus on adapting to diverse weather and sea conditions. Our long-standing expertise allows us to construct a variety of quay types, including combi-walls, gravity block walls, and diaphragm walls.

Our operations are guided by a commitment to quality, worker safety, and environmental protection.

GIECO has the logistical capability to supply over 15,000 tons of materials daily and can complete major projects quickly, like the 2,200-meter breakwater we built in just 12 months.

PROJECTS

2017-
2018

Gargoup,
Matrouh, Egypt

Client

Egyptian Navy

Description

Gravity Blocks Quay Wall
Length:1000m ,Draught 14.5m
Main Breakwater
Length:1600m ,Depth -20m

Highlights

Tons of Steel: 2000 tons of reinforcement steel rebar
Port/Navy Base Area: 2,500 feddan
Built-up Area: 80000 SqM
Average Daily Concrete Production: 3,000 Cubic Meters/Day
Average Daily Rock Supply and Handling: 25,000 Tons/Day
Peak Manpower: 4,000

Activities

Concrete Works
Steel Works
Infrastructure
